ONE VISION

DRIVING INNOVATION
& AGILITY

“

Thanks to merged knowledge and combined forces, we can move towards an even more innovative future than we could have imagined just two years ago when we first introduced the eTaaS solution.

This enables us to move more agile than ever before, and that we can share this agility through our solutions with you.

The information above is being shared in order to outline some of our current product plans, but like everything else in life, even the best laid plans get put to rest. We are hopeful that the presented roadmap can shed some light on our vision, but it is important to understand that it is being shared for INFORMATIONAL PURPOSES ONLY, and not as a binding commitment. Please do not rely on this information in making purchasing decisions because ultimately, the development, release, and timing of any products, features or functionality remains at the sole discretion of SecuTix BV, and is subject to change.

TAKEAWAYS

With the combined forces of SecuTix and Oxynade, your needs are addressed beyond your expectations. Regardless of the segment or vertical.
